

July 12, 2014

Dear fellow KOF members,

I still keep thinking about our days together in Boulder and how much I enjoyed this gathering and meeting up with old friends. Below are a few lines in memory of our time together.

With best wishes,

Yours Joff

**We Keepers came to be with Whyte,
To learn what's here but out of sight.
We honored our friends of fame,
And kept alive the common flame,
By sharing thoughts both deep and light.**
