

KOF Poem 2019

What
Is
My mission?
A good position
Riding the waves
Of nuclear fission
Rather not
Not what?
The sunset arrives
In the life of all
Cowboys and
Indeed
Cowgirls. Trace the
Place for combined
Thought not fraught
Eloquence. No sense
Hence
Pretence whence I
Come hoping
For fame but that's
To tame a game
It's all so plain
To see.

We start, we finish
We carry on.
Soulful sounds to
Start
Us off. Meditate on
Life with
Those who are here
And those
Who are not, to
Continue
Their learning and
Their sharing
Emotionally, physically and
Spiritually. With no
Didactic downloads but
Doing stuff and
Taking risks with
Our internal factors

What is it?
What does it do? What
Are you
Waiting for? Where will
You be
In 2022? Will you still
Be relevant? Watch
Your speed of change.

So,
What is your
Relationship with
Risk? I'll have
To work that out
And just
Take a risk
Not knowing.
Love and certainty
Make me
Relevant.

Dress rehearse
The worst possible
Outcome tapping of
Fingers. What do you
Think? Being
Meaningful is risky
Drawing arrows to
The butt.
Perfection, cynicism, control
Which is your
Default? Shed the
Armour to get
To the treasures
Of life. That is
Love! So come
To Keepers and
Take risks
Terms and conditions
Do not
Apply.

Under enormous stress
Not to

Screw it up. Consciously
Understand
Your assumptions, look
Deeply if its not
Working. What
Are we
Doing
Here? The difference
Between
Noise and substance
Hear what's really
Being said. Confront in
Your search for
The truth. If it works
It's true. Figure out
A way. Be slow
To understand. Connect
With trust and safety
Keep to your side
Of the line. Ever
Experiencing clarity
And joy! Keep it off
The grass. Be stoic
Focus on what you
Can control. Look
At where you are
Stuck; define, prevent
Repair. Recognise the
Wearing of the pan.
Embody
Hard choices for
An easy life. If
You enjoy the process
Why
Does it matter?

His heart is in
The work he does
Although he says he
Has no idea why
He's here or what
He is about to say
Join the club. Face
The risk or

Walk away from
The high line. And
Let yourself
Go! Whilst
Contributing to
A healthy social
Network. It's
About time. Relish
The remarkable ride.
